

## 2020-21 LOWER SCHOOL EXTENDED DAY

The Charlotte Christian School Extended Day program provides care beyond the regular school day for students in JK-grade 5. Through organized activities and supervised free time, the Extended Day program is designed to enrich the intellectual, spiritual, social and physical development of students. Classroom space, computers and outdoor play facilities are available to children for homework, play and various other extracurricular activities. Special field trips on teacher work days and early dismissal days also contribute to making the Extended Day program a valuable opportunity for our students and their families.

The Extended Day program begins at 2:15 p.m. for our junior kindergarten and kindergarten students and at 2:35 p.m. for grades 1-5.

### Arrival & Departure

Program participants are divided into groups. The JK/K students occupy room 06, in the Early Education Building after regular school dismissal. Our grades 1-5 students proceed to the Extended Day classroom upon dismissal.
