

# Choosing the Charlotte Christian Community

**Marty & Heather White**

**Caroline ('18), Camille (grade 11), Cameron (grade 7), Cardin (grade 2)**

Marty and Heather White have been part of the Charlotte Christian community for 13 years. As their oldest child recently graduated from CCS after attending since junior kindergarten, they reflected on their time as a Knight and what brought them to our campus.

**How would you describe Charlotte Christian in one word?**

Home

**How did you hear about Charlotte Christian?**

Two people whom we admired – one a colleague and one a client – had their children at Charlotte Christian, and that was a powerful statement to us.

**Why did you choose Charlotte Christian?**

We chose Charlotte Christian because it is the best of both worlds – a true college preparatory school with a Biblical worldview.

**How has it been a good fit for your children?**

Our children have had the opportunity to study in a rigorous academic environment consistent with a Biblical worldview, compete in high level athletics, and perform in award-winning theater productions.

**What programs have your children been involved with during their time at CCS?**

Many sports (from junior kindergarten intramurals to varsity teams), theater, and study abroad opportunities through J-Term.

**What opportunities allowed you to be involved as parents?**

Marty has had the privilege of serving on the board of trustees, and Heather has served as a lower school room mom and volunteered to help with the fine arts musicals for many years.

**Now that you have graduated a CCS lifer, what were the advantages to starting to attend CCS in lower school?**

Much as a house is built on a foundation, a lower school education at CCS provides children with a wonderful faith foundation. From singing Bible verses to attending chapel to celebrating Christmas and Easter, a Christ-centered lower school education is a gift to children and a blessing to their families.

Contact the admissions office today at (704) 366-5657 to learn more about the Charlotte Christian community.
