Dear Upper School Choir, Orchestra, and Band Parents,

Please find the information for purchasing uniforms for upper school band, choir and orchestra. Please purchase the uniform by Aug. 19 for pictures that will be taken mid-September.

Girls:

The dress that the girl's ensembles wear is available from www.stageaccents.com. You may also call Stage Accents at (800) 631-1611 to order. The style is the short-sleeved Bel Aire style #5211 (girls' size) or #8613 (women's) and the price is \$57 plus shipping. The website contains a sizing chart so be sure to have measurements ready when you order. This dress has some give in the fabric to allow for growth. Also, it will be delivered not hemmed and they are extremely long so please allow time for hemming before the first wearing. The dresses will take 1-2 weeks for delivery.

All ladies will need black shoes.

Boys:

Boys of all ensembles will wear black tuxedo pants and a white wing-tip collar tuxedo shirt. Accessories vary by group (see below). If you wish to purchase a jacket so that your student has a complete tux that matches, you may do so but they will not be worn at concerts. If your student already owns tuxedo pants and/or shirt, he may wear them. These items are available from www.stageaccents.com and can be ordered on the website or by phone at (800) 631-1611.
